

USACE Small Business

Listing of Small Business Leaders by Area of Responsibility

The Small Business Program is an integrated network of Small Business Advisors providing support to 57 sites in the Continental United States (to include Hawaii and Alaska). There are over 60 Small Business Advisors serving within the Corps. They support the Corps' Division Commanders, District Commanders, Centers Directors, and the National Contracting Organizations' 1200 plus Contracting Professionals. The Small Business Advisors are an integral part of the procurement process, and work collectively with Contracting Officers as they plan and execute contracts. The Small Business leaders represent the Corps in all small business matters, and provide world class support to ensure successful execution of the Corps' mission. Information about **Procurement Opportunities** at the Corps can be best obtained from the District and Center Small Business Leaders where solicitations and awards are released. We look forward to your success!
